EMPOWERING DREAMS

Supporting Ebubechi's journey in Nursing!

Dear Empowerment Advocates,

In this first quarter, we reflect on the incredible progress made and the work still ahead. Thanks to your unwavering support, we continue to empower girls worldwide to become strong leaders, entrepreneurs, and advocates for change. This newsletter brings you updates on exciting projects, inspiring stories, and ways you can continue to support our mission.

In This Issue:

- Progress & Growth: Recent Milestones at Girls for Development Goals Foundation
- Empowering Dreams: Supporting Ebubechi's Journey in Nursing
- Celebrating Excellence: An Exclusive Interview with Favour & Oreoluwa
- Celebrating Women's Voices: Global Stories of Empowerment on IWD 2025.
- Ways to Get Involved: Volunteering and Partnering with Us to Make a Difference

APRIL 2025

PROGRESS & GROWTH

RECENT MILESTONES

- Successful fundraising dinner
- Sustaining operations
- New interns onboarded
- Audit and rebranding in progress
- Exploring Office Space in Asaba, Delta State

Recent Milestones at Girls for Development Goals Foundation
Despite resource constraints, Girls for Development Goals Foundation has successfully executed several impactful projects and continues to make strides toward its mission. Here are some key updates on our recent achievements and ongoing initiatives:

- **Successful Fundraising Dinner:** In January 2023, we hosted a fundraising dinner in Innsbruck, Austria, raising over €1,000 to support our initiatives and community projects.
- **Sustaining Operations:** Our foundation continues to operate efficiently with the dedication of two unpaid part-time staff, who have been instrumental in driving our activities forward.
- **New Interns Onboarded:** We recently welcomed two new interns from an external organization to support our ongoing programs and enhance our impact.
- **Audit & Rebranding in Progress:** To strengthen our organizational identity and transparency, we are currently undergoing a comprehensive audit and rebranding process.
- **Exploring Office Space in Asaba:** We are actively seeking an office space in Asaba, equipped with two laptops, essential office furniture, stationery, and a printer. However, high rental costs remain a challenge, and we are exploring viable options to make this a reality.

CELEBRATING EXCELLENCE

Essay competition winners

Celebrating Excellence: An Exclusive Interview with Favour & Oreoluwa

In the recently concluded Girls for Development Goals Foundation Essay Competition, two bright young minds, Favour and Oreoluwa, emerged as award recipients for their outstanding essays. As part of our commitment to fostering education and youth empowerment, we sat down with these inspiring teenagers to hear their thoughts on the competition, their preparation process, and their aspirations for the future.

When asked about how they prepared for the competition both winners shared their strategies, which included intensive research, brainstorming, and refining their writing skills.

As we celebrate these young achievers, we encourage all young girls to embrace learning, seize opportunities, and continue striving for excellence.

EMPOWERING DREAMS:

Supporting Ebubechi's Journey in Nursing

At Girls for Development Goals Foundation, we believe in empowering young girls to achieve their dreams through education. Recently, we had the privilege of supporting Ebubechi, a second-year nursing student, with a financial grant to aid her academic journey.

In a heartfelt video, Ebubechi shared her passion for pediatric nursing, expressing her deep desire to care for and support children's health. She spoke about her journey and how this support will enable her to stay focused on her studies and career aspirations.

With immense gratitude, Ebubechi thanked the foundation and its supporters for believing in her potential and investing in her future. Her story is a testament to the impact that collective support can have in transforming lives and empowering young women to pursue their dreams.

We remain committed to creating opportunities for more young girls in education and healthcare.

CELEBRATING WOMEN'S VOICES

Celebrating Women's Voices:
Global Stories of
Empowerment on IWD 2025

On International Women's Day 2025, Girls for Development Goals Foundation took a bold step in amplifying women's voices across the globe. We conducted exclusive interviews with individuals from several countries, inviting them to share their stories of empowerment, challenges, and triumphs in the journey toward gender equality.

From Nigeria, Uganda, Sweden and Italy we heard firsthand experiences of how women are breaking barriers, championing change, and redefining leadership in various sectors. These powerful narratives shed light on the progress made, the struggles that persist, and the collective actions needed to create a more inclusive and equitable world.

These stories reaffirm our commitment to empowering women and girls worldwide.

Want to hear these incredible stories? Stay connected with us on our social media pages and website for exclusive interviews and insights.

HOW YOU CAN GET INVOLVED

1. Volunteer with Us: Your skills and passion can make a real difference. Whether it's mentoring girls, hosting workshops, or helping with events, we welcome your involvement.
2. Partner with us: As we continue to push boundaries and create change, we invite funders, partners, and collaborators to join us in scaling our impact. Whether through financial support or strategic partnerships, your contribution can help us reach more girls and transform more communities.
3. Spread the Word: Share our mission with friends, and family, and on social media. Together, we can build a future where every girl has access to education, health, and economic opportunities—laying the foundation for a healthier, more equitable world
